SEASCAPE RESORT, A WELCOME STOP ON A LONG WALK

Seascape Resort-Aptos, CA - With just over 7,000 miles walked and six and a half years on the road, faith walker Rev. Carol Cruise found a restful oasis one recent evening at Seascape Resort. Carol was welcomed along with her support team of Wendi Miller and a three legged Pomeranian named Walker T. (The T is for tripod) You may have seen her along highway 1 as she walks south. The last report has her now south of Big Sur.

Reverend Cruise lost her lower right leg almost 20 years ago despite 15 surgeries after a medical mishap. She accepted the loss while gaining strength in her faith. Doctors said she wouldn't walk but she proved otherwise using a prosthesis to not only walk, but to set out on a journey of faith. Cruise intends to walk the perimeter of the United States, more than 10,000 miles, in nine years. Cruise explains that "Through this I have become a better person, not a bitter one."

With the completion of each mile Cruise sets a small wooden cross in the ground near her path to mark her progress. The cross carries a card explaining her ministry and encouraging the finder to pass the crucifix on to help spread the word. "Each mile has a story and I have met such wonderful people along the way" said Cruise.

"One of the little joys of my job is the very interesting people I meet while they visit the resort" said Seascape resort's general manager Jim Maggio. He added, "Ms. Miller came to us and asked if we would host Reverend Cruise and her support team. We were happy to do so and wish her well as she continues her ministry."

Annually Seascape Resort (www.seascaperesort.com) plays host to a large number of charitable and fundraising events and supports an even longer list of community and non profit organizations. The resort is a part of the Holcomb family of business interests which includes Palapas Restaurant y Cantina (www.palapasrestaurant.com) and Holcomb Real Estate and Development.
